(F) The Project Facility does not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project, and accordingly, the Project is not prohibited by the provisions of Section 862(2)(a) of the Act, and (2) accordingly the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act;
