#### INSTRUCTIONS

 The Agency will not approve any application unless, in the judgment of the Agency, said application and the summary contain sufficient information upon which to base a decision whether to approve or tentatively approve an action.
 Fill in all blanks, using "none" or "not applicable" or "N/A" where the question is not appropriate to the project

which is the subject of this application (the "Project").

3. If an estimate is given as the answer to a question, put "(est)" after the figure or answer which is estimated.

4. If more space is needed to answer any specific question, attach a separate sheet.

5. When completed, return two (2) copies of this application to the Agency at the address indicated on the first page of this application.

6. The Agency will not give final approval to this application until the Agency receives a completed environmental

assessment form concerning the Project which is the subject of this application.

7. Please note that Article 6 of the Public Officers Law declares that all records in the possession of the Agency

(with certain limited exceptions) are open to public inspection and copying. If the applicant feels that there are elements of the Project which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the applicant's competitive position, the applicant may identify such elements in writing and request that such elements be kept confidential in accordance with Article 6 of the Public Officers Law.

8. The applicant will be required to pay to the Agency all actual costs incurred in connection with this application

and the Project contemplated herein (to the extent such expenses are not paid out of the proceeds of the Agency's bonds issued to finance the project). The applicant will also be expected to pay all costs incurred by general counsel and bond counsel/special counsel to the Agency. The costs incurred by the Agency, including the Agency's general counsel and bond counsel, may be considered as a part of the project and included as a part of the resultant bond issue.

9. The Agency has established an application fee of One Thousand Dollars (\$1,000) to cover the anticipated costs of

the Agency in processing this application. A check or money order made payable to the Agency must accompany each application. THIS APPLICATION WILL NOT BE ACCEPTED BY THE AGENCY UNLESS ACCOMPANIED BY THE APPLICATION FEE.

10. The Agency has established a project fee for each project in which the Agency participates. UNLESS THE AGENCY AGREES IN WRITING TO THE CONTRARY, THIS PROJECT FEE IS REQUIRED TO BE PAID BY THE APPLICANT AT OR PRIOR TO THE GRANTING OF ANY FINANCIAL ASSISTANCE BY THE AGENCY.

C. Please describe the projected timeframe for the creation of any new jobs with respect to the undertaking of the Project:

Expect to have necessary approvals from the NYSDEC and City of Newburgh's land use boards by the end of 2024 and begin construction in 2025.

D. Please prepare a separate attachment describing in detail the types of employment at the Project site. Such attachment should describe the activities or work performed for each type of employment.

The project consists of the construction and operation of a modern warehouse distribution facility. The types of employment that would be provided by the project includes non-skilled workers for sorting incoming products and materials, the preparation of outbound shipments, the operation of forklifts and other machine equipment, maintenance, and management of the facility and its employees. The project may also attract a light manufacturing end-user, in which case the skill level of the workers will be even higher.

## V. PROJECT COST.

A. <u>Anticipated Project Costs</u>. State the costs reasonably necessary for the acquisition of the Project site, the construction of the proposed buildings and the acquisition and installation of any machinery and equipment necessary or convenient in connection therewith, and including any utilities, access roads or appurtenant facilities, using the following categories:

C. Project Benefit Information. Complete the attached Cost/Benefit Analysis so that the Agency can perform a cost/benefit analysis of undertaking the Project. Such information should consist of a list and detailed description of the benefits of the Agency undertaking the Project (e.g., number of jobs created, types of jobs created, economic development in the area, etc.). Such information should also consist of a list and detailed description of the costs of the Agency undertaking the Project (e.g., tax revenues lost, buildings abandoned, etc.).

VII. REPRESENTATIONS BY THE APPLICANT. The applicant understands and agrees with

the Agency as follows:

A. Job Listings. In accordance with Section 858-b(2) of the New York General Municipal Law,

the applicant understands and agrees that, if the Project receives any Financial Assistance from

Agency, except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the Project will be listed with the New York State Department of Labor Community Services Division (the "DOL") and with the administrative entity (collectively with the DOL, the "JTPA Entities") of the service delivery area created by the federal job training partnership act (Public Law 97-300) ("JTPA"), as replaced by the Workforce Investment Act of 1998 (Public Law 105-220), in which the Project is located.

B. First Consideration for Employment: In accordance with Section 858-b(2) of the New York

General Municipal Law, the applicant understands and agrees that, if the Project receives any Financial Assistance from the Agency, except as otherwise provided by collective bargaining agreements, where practicable, the applicant will first consider persons eligible to participate in JTPA programs who shall be referred by the JTPA Entities for new employment opportunities created as a result of the Project.

C. Annual Sales Tax Filings: In accordance with Section 874(8) of the New York General

Municipal Law, the applicant understands and agrees that, if the Project receives any sales tax exemptions as part of the Financial Assistance from the Agency, in accordance with Section 874(8) of the General Municipal Law, the applicant agrees to file, or cause to be filed, with the New York State Department of Taxation and Finance, the annual form prescribed by the Department of Taxation and Finance, describing the value of all sales tax exemptions claimed by the applicant and all consultants or subcontractors retained by the applicant.

. Annual Employment Reports. The applicant understands and agrees that, if the Project

receives any Financial Assistance from the Agency, the applicant agrees to file, or cause to be filed, with the Agency, on an annual basis, reports regarding the number of people employed at the Project site, including (1) the NYS-45 – Quarterly Combined Withholding, Wage Reporting and Unemployment Insurance Return – for the quarter ending December 31 (the "NYS-45"), and (2) the US Dept. of Labor BLS 3020 Multiple Worksite report if applicable.

A. Uniform Agency Project Agreement. The applicant agrees to enter into a project benefits

agreement with the Agency where the applicant agrees that (1) the amount of Financial

to be received shall be contingent upon, and shall bear a direct relationship to the success or lack

of

success of such project in delivering certain described public benefits (the "Public Benefits") and (2) the Agency will be entitled to recapture some or all of the Financial Assistance granted to

the applicant if the project is unsuccessful in whole or in part in delivering the promised Public Benefits.

F. Representation of Financial Information. Neither this Application nor any other agreement,

document, certificate, project financials, or written statement furnished to the Agency or by or on behalf of the applicant in connection with the project contemplated by this Application contains any untrue statement of a material fact or omits to state a material fact necessary in order to make

the statements contained herein or therein not misleading. There is no fact within the special knowledge of any of the officers of the applicant which has not been disclosed herein or in writing by them to the Agency and which materially adversely affects or in the future in their opinion may, insofar as they can now reasonably foresee, materially adversely affect the business, properties, assets or condition, financial or otherwise, of the applicant.

G. Agency Financial Assistance Required for Project. The Project would not be undertaken

but for the Financial Assistance provided by the Agency or, if the Project could be undertaken without the Financial Assistance provided by the Agency, then the Project should be undertaken by the Agency for the following reasons:

<u>H.</u> Compliance with Article 18-A of the General Municipal Law: The Project, as of the date of this Application, is in substantial compliance with all provisions of article 18-A of the General Municipal including, but not limited to, the provisions of Section 859-a and subdivision one of Section 862; and the provisions of subdivision one of Section 862 of the General Municipal Law will not be violated if Financial Assistance is provided for the Project.

I. Compliance with Federal, State, and Local Laws. The applicant is in substantial

compliance with applicable local, state, and federal tax, worker protection, and environmental laws, rules, and regulations.

J. False or Misleading Information. The applicant understands that the submission of any

knowingly false or knowingly misleading information may lead to the immediate termination of any Financial Assistance and the reimbursement of an amount equal to all or part of any tax exemptions claimed by reason of Agency involvement in the Project.

K. Absence of Conflicts of Interest. The applicant acknowledges that the members, officers

and employees of the Agency are listed on the Agency's website. No member, officer or employee of the Agency has an interest, whether direct or indirect, in any transaction contemplated by this Application, except as hereinafter described:

L. Additional Information. Additional information regarding the requirements noted in this Application and other requirements of the Agency is included on the Agency's website which can be accessed at <a href="https://www.cityofnewburgh-ny.gov/industrial-development-agency">https://www.cityofnewburgh-ny.gov/industrial-development-agency</a>.

I affirm under penalty of perjury that all statements made on this application are true, accurate, and complete to the best of my knowledge.

III. Please provide a detailed description for the impact of other economic benefits and all anticipated community benefits expected to be produced as a result of the Project (attach additional pages as for a complete and detailed response):

The economic benefits of this project are very significant. The project will bring new jobs and economic activity to a site that has been neglected and environmentally hazardous for decades. This development will create new opportunities for current city residents and will encourage other developers to undertake similarly ambitious and impactful projects for years to come. This is an exciting opportunity to make a huge positive impact on the environment as well as the City of Newburgh community.
